2015-2017 EnPPA Draft 4-22-15+OWQ only -mcm with explanations.doc

Martha,

It was good to talk on the CMS yesterday. Attached is the document we talked about with the universe information and IDEM's explanations pasted in. Please add additional explanation as discussed (I added comment bubbles to flag those) and revise explanations as necessary to fit format.(ie – you may want to replace “we” with IDEM – that sort of thing).

Once we get the updated file, we'll share it with Headquarters to get their feedback.

Thanks again,

Ryan

The EnPPA discussions have been a bit fractured here, but Linda and I have communicated and I was also forwarded some feedback on the CMS. So you will not be surprised tomorrow, I wanted to get you our edited copies of the Program Overview and the Water Commitments plus the Alternative CMS justification that I'm sending to James. There's not much time before the meeting, but if you have questions, please let me know.
